

crocodiles are GREEN!

Through the Terracycle program, Kate Sullivan Elementary earns money for every item recycled and then those recyclables are turned into cool, new products like backpacks, lunchboxes, markers and dry erase boards. While reducing its volume of solid waste, the school earns money to invest in our classrooms. Win-win-win!

by the numbers

Since 2009, Kate Sullivan Elementary has recycled:

47,780

juice pouches

1,142

cookie wrappers

5,166

chip bags

1,066

yogurt cups

938

candy wrappers

\$1,132.⁵⁰

worth of trash!
