RE: 2010-2011 School Public Accountability Report: Kate Sullivan Elementary School

Dear Parents and Community Members,

Enclosed with this letter is our annual report for the 2010-2011 school year. As a National Blue Ribbon School, we are proud to provide a summary of information about your child's school for the 2010-2011 school year. The data included in this report provides us the opportunity to reflect upon our accomplishments and to set new goals. The School Improvement Plan for our school contained specific goals and objectives that were planned by the faculty and staff with the involvement of our School Advisory Council. The SPAR report has been compiled using school test data and personnel records from the 2010-2011 school year. These records were used to determine if the school met the goals and objectives described in the annual School Improvement Plan and fulfilled our mission and vision statement.

Our continued focus will be to provide each child with new challenges that will result in a rewarding school experience. Academic emphasis on the core content areas of reading, writing, math, social studies, and science will remain a priority as well as providing a learning program that builds on each year to reach local and state standards. In addition, we have an exceptional media, guidance, art, music, and P.E. program for all grade levels. Our school has state-of-the-art technology equipment and capabilities which further assist us in preparing our students for success.

The 2010-2011 School Public Accountability Report (SPAR) for Kate Sullivan is available in the front office, on our school's website and at www.fldoe.org/eias/eiaspubs. The information in this report includes important information about your child's school, including: Kindergarten readiness; dropout and graduation rates (high School only); test scores; and enrollment.

If you have any questions, please do not hesitate to contact the school and we will do everything possible to answer your questions. You are a vital part of the educational process at Kate Sullivan Elementary School and your involvement is crucial to our overall success!

Sincerely,
